

AE26T40 — Airi 40" Round Bistro Table

40" diameter table with aluminum top and cast aluminum legs, portable

Material

The table has a 40" diameter tabletop that is 0.19" thick and is composed of 3003-0 aluminum alloy. The tabletop features a 0.25" chamfered edge and has a 1.93" diameter umbrella hole in the center. A solid aluminum tabletop (no umbrella hole) is also available; please call for information and availability.

The table base is made of cast aluminum and designed to be portable for flexibility in placement. Each foot features a stainless-steel adjustable glide that swivels for both horizontal and vertical leveling and to protect your floors.

Finish

Rust-proof, fade-resistant, powder coated aluminum components.

Color

See website or sales representative for color choices.

Assembly

The table requires some assembly. Stainless steel assembly hardware is included.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with a solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading; 3-year finish warranty on powder coated aluminum components against rusting, peeling, chipping, cracking, mold, mildew, and defects in materials and/or workmanship from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
