

BRP121— Ultra Hoop Single Bike Rack Extension, 8-Bike Capacity

Ultra steel bike rack extension with hoops and horizontal leg

Material

The bike rack extension is composed of 2.38" O.D. steel tube support sections. The hoops are made of .5" O.D. steel rods welded at 7" intervals to accept all bike hub widths. The bike rack extension is 75.56" long and designed to accommodate up to eight bikes. Bikes may enter from either side of the rack. Bike rack extension is portable, allowing for flexibility in placement and the legs have predrilled tabs to allow for surface mounting to prevent movement.

Finish

Fade-resistant, powder coated steel features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The bike rack requires some assembly.

Maintenance

Maintenance-free; to clean, spray with a power washer.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading; 3-year finish warranty on powder coated steel components against rusting, peeling, chipping, cracking, mold, mildew and defects in materials and/or workmanship. See full details on multi-year warranties for components at
