**Material**

The bench is 72.26" long. The contour seat is made of 14-gauge perforated steel with a .31" diameter uniform hole pattern. The bench backrest has a pocket containing a 3" x 5" brass plaque with customer supplied text engraved in black. The customer may provide one, two, or three rows of text to be applied in Times New Roman font. A proof will be provided for approval. The plaque is adhered with a high strength adhesive.

The bench is protected by Fusion Advantage™, a plastisol coating with an average .125" thickness and a high-gloss powder coat. The bench seat will support 200 lbs per linear foot.

The legs are made of 2" O.D. steel tubing, protected by a fade resistant powder coat finish featuring a state of the art primer proven to prevent rusting. They are designed to be portable, allowing for flexibility in placement. The legs also have plates with pre drilled holes for surface mounting to prevent movement (mounting hardware is not included).

**Finish**

Fusion Advantage is a heat fused plastisol coating that creates an impervious rustproof barrier and resists UV deterioration, mildew, staining and fading.

The finish has been tested to the requirements of ASTM E1354 and is determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

A state of the art primer is applied to all of the under supports, providing extreme rust fighting protection and durability. Treated components exceed the industry standard by 34% in testing by independant sources.

The plaque is coated with a clear acrylic finish for tarnish resistance.

**Color**

See website or sales representative for color choices.

**Assembly**

The bench requires minor assembly. Stainless steel assembly hardware is included.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

**Warranty**

20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at [www.anovafurnishings.com/warranty.aspx](http://www.anovafurnishings.com/warranty.aspx).
