## F1098- Surface Mount Kit for Receptacles

Steel surface mount plate for receptacles

### Material

The 8" square mounting plate is made of .19" thick sheet steel and is designed to bolt to the base of a 30- or 32-gallon receptacle and an existing surface. Surface mount plate raises the receptacle 5.38" off the ground. Mounting plate has predrilled .50" diameter holes for surface mounting to prevent movement. **Surface mounting is required;** mounting hardware is not included.

### Finish

Fade-resistant powder coated steel components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

### Color

See website or sales representative for color choices.

### Assembly

The mounting kit requires some assembly. Stainless steel assembly hardware is included.

### Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

### Warranty

20-year limited structural warranty with 7-year finish warranty against fading from date of purchase. See full details on multi-year warranties for components at [www.anovafurnishings.com/warranty.aspx](http://www.anovafurnishings.com/warranty.aspx).

Designed to accommodate the following products:

- F1021D 32-Gal expanded dome receptacle
- F1021L 32-Gal expanded receptacle base
- F1021M 32-Gal expanded contour receptacle
- D1021D 32-Gal perforated dome receptacle
- D1021L 32-Gal perforated receptacle base
- D1021M 32-Gal perforated contour receptacle
- L1336D 32-Gal slotted dome receptacle
- L1336L 32-Gal slotted receptacle base
- L1336M 32-Gal slotted contour receptacle
- F3200 23-Gal expanded ash top receptacle
