Material

The 32-gallon receptacle contour top is made of spun 18-gauge galvanized steel. The top features a 5-inch diameter center opening to help filter recycling materials and includes a 14-inch web security strap. The customer has a choice of "PAPER", "TRASH", OR "BOTTLES/CANS" decals in lettering that is 7/8" tall, along with the recycling symbol decals which are 1" tall. The graphics are available in black or white depending on the top color and the decals are factory applied.

Finish

Fade-resistant powder coated steel components feature a state-of-the art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

Attachment of the top to the receptacle body requires some assembly.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading; 3-year finish warranty on powder coated steel components against rusting, peeling, chipping, cracking, mold, mildew and defects in materials and/or workmanship. See full details on multi-year warranties for components at
