Material
The table is 46.25” square and features four flat bench seats. The table top and seats are 12-gauge perforated steel with a .56” diameter uniform hole pattern and feature a traditional edge. Table top and seats are protected by Fusion Advantage™, a plastisol coating with an average .125” thickness and a high-gloss powder coat. The table also features a 1.50” diameter umbrella hole in the center. The table top is designed to support 100 lbs per square foot and the seats will support 200 lbs per linear foot.

The frame is made of 1.66” O.D. steel tubing protected protected by a fade resistant powder coat finish featuring a state of the art primer proven to prevent rusting. The frame is portable in design allowing for flexibility in placement.

Finish
Fusion Advantage is a heat fused plastisol coating that creates an impervious rustproof barrier and resists UV deterioration, mildew, staining and fading.

The finish has been tested to the requirements of ASTM E1354 and is determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

A state of the art primer is applied to all of the under supports, providing extreme rust fighting protection and durability. Treated components exceed the industry standard by 34% in testing by independant sources.

Color
See website or sales representative for color choices.

Assembly
The table requires some assembly. Stainless steel assembly hardware is included.

Maintenance
The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty
20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
