EGWR30NS
REPLACEMENT GRAPHICS
PANEL
 30-gallon receptacle replacement no
 smoking graphics panel

Material

The 30-gallon receptacle panels are made with a "no smoking" graphic symbol and "Thank You" text printed on vinyl with UV resistant inks, then laminated to .12" thick styrene. Printshield, a clear laminate, is applied over the image.

Finish

UV resistant inks provide a sharp, clear, non-fading image. Printshield, a clear laminate, provides extra protection to the graphic image from weather, abrasion, and cleaning.

Assembly

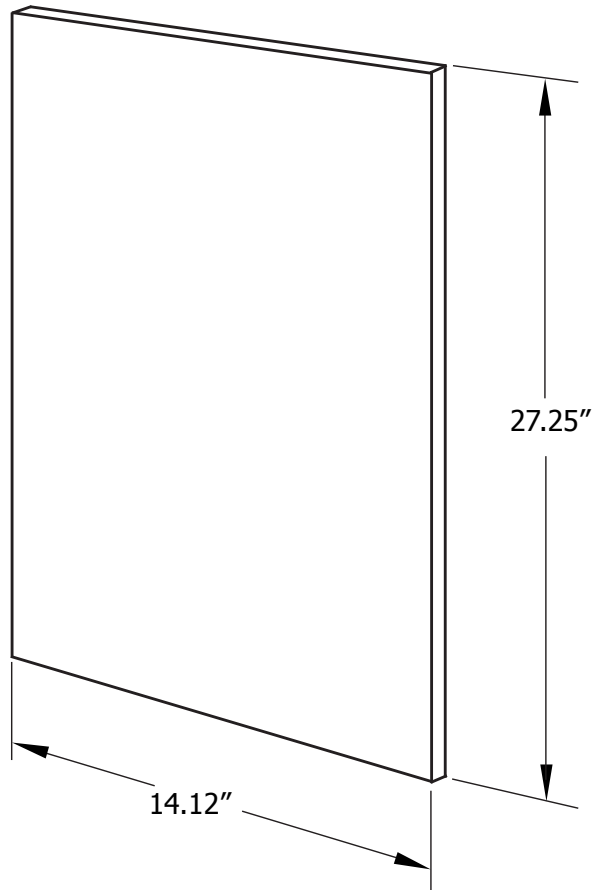

The panels arrive ready for immediate installation. Some assembly is required to replace existing panels.

Maintenance

The product is virtually maintenance-free. Periodically clean the graphic panels with a sponge and a solution of mild detergent and water to remove surface dirt. Do not use solvent or petroleum based products.

Warranty

3-year warranty from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
