Material

The liner is designed to fit Fusion 30-gallon trash receptacles. The liner is made of high density polyethylene.

Finish

The high density polyethylene is a flexible and durable material that won't corrode, splinter, rot, or fade.

Color

The liner is available only in black.

Assembly

The liner requires no assembly and must be placed inside an appropriate receptacle.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty

1-year warranty from the date of purchase.
