Material

The hold down kit is designed for ANOVA™ precast benches and receptacles. The kit is composed of hold down brackets and nail anchors. The nail anchors are intended for hard surfaces such as wooden decks and cement pads. The kit also includes a masonry bit.

Color & Finish

The hold down “L” brackets are available in powder coated bronze color or aluminum color.

Assembly

Some assembly is required.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty

1-year warranty from the date of purchase.
