Material

The stainless steel ash stash is composed of 20-gauge stainless steel. The ash stash features two openings with a perforated screen extinguishing area in each opening and a fire-safe liner. The hooded top allows for water run-off. The urn slides up and off of the shelf mounting bracket for easy emptying.

Finish

Stainless steel provides an attractive, durable, maintenance free finish.

Color

See website or sales representative for color choices.

Assembly

No assembly is required, the ash stash is assembled and ready to use; the shelf mount requires some site preparation. The user must provide mounting hardware.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. The enclosure can be shined with a common spray wax or polish suitable for stainless steel.

Warranty

20-year limited structural warranty from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
