

L1378C — Rendezvous 32 Gallon Custom Band Receptacle

32-gallon steel slat custom band receptacle with custom message decal, plastic liner and rubber feet. Top sold separately.

Material

The 32-gallon receptacle is 31.39" tall and is composed of 12-gauge slotted steel with a .75" gap vertical slotted pattern. Optional top is available in several styles; sold separately.

A message, up to 2.75" tall and 32" long, is factory-applied as a decal around the body of the receptacle. The customer may choose a standard message or submit a custom logo, mascot or message. Standard messages available with recycling logo are "Plastic Only", "Glass Only", "Cans Only", "Paper Only" or "Trash Only". Specify black or white lettering. The receptacle is also available without any decals; or with recycle symbols only.

The receptacle is designed to be portable for flexibility in placement or surface mounted using pre-drilled .38" diameter holes inside the base to prevent movement; optional corkscrew anchor also available. The rubber feet are adjustable to assist in leveling the receptacle. The reusable plastic liner is made of high-density polyethylene.

Finish

Steel slats are protected by the patented Fusion Advantage™ finish. The plastisol coating has an average thickness of .125" and is encapsulated with a richly tinted, high-performance powder coating that won't rust, fade, peel, chip, crack, mold or mildew. The finish has been tested to the requirements of ASTM E1354 and determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel top features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The receptacle ships fully assembled and ready for use. Using an optional corkscrew anchor may require some assembly.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.

Top sold separately.
