

**L2040AT — Latitude French Door Receptacle with Bonnet Ash Top**

**40-gallon steel slat receptacle with French doors, bonnet ash top, plastic liner and rubber feet.**

**Material**

The receptacle is 42.65" tall and is composed of 12-gauge slotted steel with a .75" gap vertical slotted pattern. The receptacle features twin side opening doors that pivot on heavy-duty 316L stainless steel hinges. A stainless-steel door latch is hidden and requires a special tool to open for added security. The built-in bonnet ash top is made of 16-gauge galvanized steel and features a 6.69" tall and 17.82" wide waste opening and has a 10" diameter ashtray that includes a generous supply of black beauty sand substitute.

The receptacle is designed to be portable for flexibility in placement or surface mounted using pre-drilled 0.38" diameter holes inside the base to prevent movement; optional corkscrew anchor is available. The rubber feet are adjustable to assist in leveling the receptacle. Includes a reusable plastic liner made of high-density black polyethylene.

**Finish**

Steel slats are protected by the patented Fusion Advantage™ finish. The plastisol coating has an average thickness of .125" and is encapsulated with a richly tinted, high-performance powder coating that won't rust, fade, peel, chip, crack, mold or mildew. The finish has been tested to the requirements of ASTM E1354 and determined to be compliant with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel top features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

**Color**

See website or sales representative for color choices.

**Assembly**

The receptacle ships fully assembled and ready for use. Using an optional corkscrew anchor may require some assembly.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

**Warranty**

20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at [www.anovafurnishings.com/warranty.aspx](http://www.anovafurnishings.com/warranty.aspx).
