

LBR5PSURF — Streetside 3-Loop Bike Rack with 5-Bike Capacity, Powder Coated Finish and Surface Mount

Three-loop steel tubular bike rack with five-bike capacity, powder coated finish and surface mount

Material

The bike rack is 39.13" wide and can accommodate five bicycles. A bicycle can be parked within each of the upper and lower loops plus on the outside of each leg. The rack is made from 2.38" O.D. x 11-gauge wall steel tubing. Each leg features a 5" diameter mounting plate with predrilled holes for easy surface mounting. Mounting hardware is not included.

Finish

Fade-resistant, powder coated steel tubing features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

Bike rack requires no assembly except for the surface mounting.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading; 3-year finish warranty on powder coated metal components against rusting, peeling, chipping, cracking, mold, mildew and defects in materials and/or workmanship. See full details on multi-year warranties for components at <https://www.anovafurnishings.com/warranty>.
