RCPHEX — Recycled Plastic Picnic Table

6' recycled plastic plank hexagonal picnic table with recycled plastic tabletop, seat planks, frame and legs.

Material

The 31" tall tabletop is hexagonally shaped and is approximately 40" x 46" and the outside seat dimensions are approximately 71" x 73". The tabletop is composed of 2" x 6" HDPE (high-density polyethylene) recycled plastic planks (nominal dimensions) and features a 1.50" diameter umbrella hole in the center; tabletop is designed to support 100 lbs. per square foot.

Flat seats are composed of 2" x 10" HDPE (high-density polyethylene) recycled plastic planks (nominal dimensions) and will support 200 lbs. per linear foot.

The under supports and legs are made of HDPE (high-density polyethylene) recycled plastic planks. The table is designed to be portable for flexibility in placement or surface mounted to prevent movement; optional surface mount kits are available. Mounting hardware is not included.

The planks are made of 95% recycled content by weight and are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

Color

See website or sales representative for color choices.

Assembly

Some assembly is required. Stainless steel assembly hardware is included. Hold down kit requires some assembly if purchased.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty on recycled plastic from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
