RCPSC6 - Recycled Plastic 6' Bench with Back

6' bench with recycled plastic seat/back planks and supports/legs, portable mount.

Material

The bench seat and back are 72" in length and are made of recycled plastic 2" x 4" (nominal dimensions) planks. The seat will support 200 lbs. per linear foot.

The bench supports are made of molded recycled plastic. The frame is portable in design allowing for flexibility in placement and includes pre-drilled mounting holes for surface mount options. Mounting hardware is not included.

Finish

The planks and supports are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

Color

See website or sales representative for color choices.

Assembly

The bench requires some assembly. Assembly hardware is included.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty on recycled plastic from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
