

RT3000R — Signature Recycler with Powder Coated Steel Panels

40-gallon recycler with aluminum corner posts, steel panels, steel contour top and plastic liner.

Material

The 40-gallon recycler is 38.50" tall and constructed using aluminum corner posts with 14-gauge, perforated steel side panels. The side panels have a .5" square perforated design.

The contour top is constructed of galvanized spun steel and has a 5" diameter center top opening for easy drop-in recycling disposal. The customer has a choice of "CANS ONLY", "PLASTIC ONLY", "GLASS ONLY" or "PAPER ONLY" decals, along with the recycling symbol decals. The recycle lettering and graphics are available in black or white depending on the top color chosen. The top is secured to the receptacle body with two 8" braided nylon straps. The top lifts off for easy emptying.

The receptacle is designed to be portable for flexibility in placement or surface mounted to prevent movement. The legs have rubber feet to protect the floor or supporting surface. The recycler includes a reusable plastic liner made of black high-density polyethylene.

Finish

Rust-proof aluminum corner posts and rust-resistant primed steel top and side panels feature a fade-resistant powder coating. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The receptacle ships fully assembled and ready for use.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading; 3-year finish warranty on powder coated steel and aluminum against rusting, peeling, chipping, cracking, mold, mildew and defects in materials and/or workmanship from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.
