T2237R – Tuscany 36” Recycled Plastic Bistro Table

36” Square bistro table with recycled plastic planks and steel frame and legs

Material

The table is composed of 0.75” x 3.5” recycled plastic table top planks with 14-gauge steel frame and legs. Table features a square table top that is available with an optional 1.64” diameter umbrella hole in the center.

The table frame and legs are made of square tubular steel; legs feature levelers to adjust for uneven surfaces.

The planks are made of 95% recycled content by weight and are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product’s life.

Finish

Fade-resistant, powder coated steel frame features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The table requires some assembly. The table top ships pre-assembled. Stainless steel assembly hardware is included.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty on recycled plastic from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
